Dear Mr. Rosenfeld:

This letter acknowledges receipt of the Charging Party's Brief in Support of Exceptions filed in the subject case on March 7, 2016.

Section 102.46(j) of the Board's Rules and Regulations specifies that briefs shall not exceed 50 pages in length, exclusive of subject index and table of cases and other authorities cited. As the Charging Party's brief is 52 pages in length, it does not comply with the Board's Rules and therefore cannot be transmitted to the Board for consideration. Should you still desire to file a brief in support of exceptions, you may resubmit a conformed brief of 50 or fewer pages. Please submit such conforming brief by close of business on **Thursday, March 10, 2016**. No extensions will be granted for the filing of a conforming brief, and any such conforming brief should contain no arguments that do not already appear in the rejected supporting brief.

Very truly yours,

/s/ Farah Z. Qureshi
Associate Executive Secretary
